

Deaf Smoke Alarm PSA

For the last three months the Indiana State Fire Marshal's Office has been distributing smoke alarms, free of charge, to lower income Hoosiers who are deaf or hearing impaired. But there are still alarms left to give away.

If you have a family member who is deaf or hearing impaired, apply for a free smoke alarm online at www.in.gov/dhs.

If you know of an individual who is deaf or hearing impaired in your community, neighborhood, workplace, or elsewhere, encourage them to apply as well at www.in.gov/dhs.

Smoke alarms save lives, but for people who are deaf or hearing impaired, standard smoke alarms offer little or no warning.

You can help give these Hoosiers the advanced warning they need to escape a house fire.

If you know someone who could benefit from a free smoke alarm, help them apply for one at www.in.gov/dhs. That's www.in.gov/dhs, and click on "applications for smoke alarms."

This message is brought to you by the Indiana State Fire Marshal's Office, a division of the Indiana Department of Homeland Security.
